So what is everyone going to do tomorrow when the show is a rerun? I know I do not want to see Debora again :huh: :y32b4: B) but if I want to see our sweetie pie again :y32b4:

Oh what to do :huh: :unsure: :unsure: :unsure:

I LOVE your new avatar, hugs! Very cute.

And today is it. the last day. I agree with Netty and her crying guys. I believe they will start off next season with Allison to suck us all back in again. It will be nice to see our favorite SOG's. However, I'm not looking forward to seeing Deborah again either!!

Great show, and love the clips at the end of the episode. I forgot some of those scenes. Allison has more to face, so it will be good to see her again. Will she have surgery over the break? No rush, or is there for her? It is all prevention, right? What a load to carry as a young woman, not to mention the concern for the rest of her family.

First of all my VCR messed up. <http://www.smileys.ws/sm/sad/00000046.gif>
I'm bummed. <http://www.smileys.ws/sm/sad/00000046.gif>
And no more new shows until Fall. <http://www.smileys.ws/sm/sad/00000046.gif>
I feel lost. <http://www.smileys.ws/sm/sad/00000068.gif>

I cried when i was watching allison today. She looked at peace for the firsttime in a long time. Patrick was great and her reaction to seeing him was wonderful. When he said he needed his allie fix and what he said at her graduation was wonderful. Watching his reaction and Vanessa's reaction made you realize how many people she really touched. I hope this means that the same three life coaches will be back next season.

Harmony there was a reason they didn't show Deborah in the clips at the end of the show. She was the only house guest who was not shown.

Like 2cents said be ready for a ride when you see her, she is much more than Tess ever was. :ohmy: :ohmy:

These last three days have really been tear jerkers!! Isn't it amazing how these women can let us into their lives and know their most inner and scared feelings out on live t.v.? Allision has really touched my heart and soul this season. Her brave and courageous battle is still going on and she still has time to keep her website up! If you click on to her website, there is a place where you can make a donation to her care, her extensive hospital and doctor bills are sky high, not counting she has been out of work for some time now. Wigs are not free just because you have cancer!! I think that is what hurt my mom the most, was when she lost her hair duing chemo, We cripe and cuss over our hair, but , hey, we are not bald with no eyelashes!! Please read her letter and make a donation, she is all alone and she can use it more than any other charity I know. What I usually send to the cancer foundation this year, will go to Allision!!

Kimmie is a snob!! Towanda grows on you.
Deborah no words can describe her. But Chloe seeing her again makes up for it all!! So Sweet

...No, I like "T" okay, Kimmie a little less but she's cool....I dont want to see their struggles again....They take a little long to "get it", and it's kinda tedious now....I like everyone when they graduate,cuz they all grow...But I am glad others are enjoying it for sure!!!
