
Amy and Erika

I think maybe the only person related to SO who knows how Erika is doing is Amy. When Erika graduated, Amy said she really, really loved Erika and valued her friendship, and she looked forward to developing it in the future. Erika said that Amy means SO much to her as a friend, and she does not know if Amy realizes how important she is to her, and she (Erika) looks forward to a lifelong friendship. So maybe we (someone?) should go to Amy's web site and email her to find out . . . about Erika (I am hesitant/nervous to do it myself).

I e-mailed Amy and am still waiting for the response. If I do not hear from her in a few days I will try again.
