B) Welcome to The Board Kimmerslee! :)

I'm not betting on anything but a SURE thing! That group shot of the guests isn't real close so until I'm sure, I'm not betting. (Besides, what do I know, I don't have any kids & am ot usually around newborns for the practice of judging!

:ohmy: Talk later... B)

) Oh Kim say it isn't soooooooooo :(:(:blink:

Boy you hit a hot topic to come onto the board with :ohmy: :blink: :unsure: :unsure:

Way to go girl B) my kind of writer :P :P

I really can not tell from the picture who she looks more like :unsure:

I learnt with my two grandsons that it really does not matter who the father is, the grandchild may resemble anyone from either family :ohmy:

My two grandsons. One is my son's son.. the other my daughters and know what..

They both look like my husband :) :) Ya both of them have the blue eyes that are so famous for his side of the family. My daughter has my eyes a deeeep brown..

SO there is still hope that jerko is not the father of this precious little girl :) :)

Can you guess Kim I reallllllly do not like J :mad: :x :x

Hugs B

Welcome Kimmerslee,

I see you joined today, Sunday!! Welcome to the board. I too hope that Chloe can have a good influence for a male in her life, and I hope it is a man Josie meets in the future, and will adopt Chloe as his own. She has gone through so much, and come so far, I wish all things well for her and her liitle girl.
