## **new season promo**

I just watched the new season promo. Amy is inviting the new house guests into the massive "V" shaped mission style house, it is high on a cliff overlooking a city, probably Burbank or Hollywood. The flash the Hollywood sign and the street sign for Sunset Blvd. Iylana is supporting Jennifer and trying to get her to talk while she cries her heart out. Deborah states, " I am a woman on a mission" then she says, "where are all the naked men" She seems to be there to have fun. Kim looks stressed and says to the camera, "What have I gotten myself into?" Josie and Chloe look wonderful. The clip ends with someone asking Josie, "Okay Josie, Who is Chloe's father???"

mom2, I didn't see that one. It was at the end of the show. I am thinking that is what they will do on Friday. Show half old show and half intro to next season. I was surprised to see Amy inviting Sinae into the house. Jennifer seems very sweet and possibly heart breaking. She is about the age of one of my daughters. She looks much younger in the preview than she does in the picture. It is going to be soooo good.

mydogkat,

When do you watch the show, and where? I caught a bit of what you saw, and a shot of all of them raising their glasses in a toast. Hope we can keep momof2 informed enough!!

It's on at 8 am here. Looks like they are wasting no time in telling us Chloe's father. Or is it just a tease, and they will drag it out, like they did when they revealed Susan's dad?

Tune in and see--

Day 3-----

Sep 15 04:00am

Series/Reality, 60 Mins.

Episode #2003.

Josie reveals the identity of Chloe's father; Towanda reveals a family secret to Kim; Kim shows pictures of her glamorous life; Deborah's disruptive behavior isolates her even more.

I didn't see them toast. I am looking for any scrap of the show I can find.
