
Amy Prego...??!

Posted by 2CENTS - 2004/09/13 11:58

I have not watched but 3 minutes of the new season.....
I had to stop the tape and post this!
Somewhere someone said there may be someone pregnant :ohmy:
My guess would be Amy!!!
She is greeting the guests...
and she has a belly!! :laugh:
I never noticed her having one before!! Yellow shirt kinda tight!
If she is NOT prego...that shirt does nothing for ya Amy !! :unsure:
okay...I am going to finish watching.....!!!

2cents!

I remember thinking the same thing, two cents. I don't know that she is pregnant, but she did look like she could be.
