There are Pics of Bethany with her Brother & Sister, she has another letter update on the Home Page, and also Pics of her New Apartment.

She will be involved with the fundraiser "Reality 4 Diabetes" in October -- has cut her hair! AND is going to or already has been in the Sept. Issue of "Woman's World" magazine!

Thanks HD for the update. Bethany looks so different than when she was in the SO house. She looks so much happier about herself and her life. I am so happy for her and wish her the best of luck.

:rolleyes: :rolleyes: :huh:

I sure WISH - like alot of Members do - that we had an EDIT BUTTON!!!

Sommer's Website is:

<http://www.s0mmersmiles.com>

\*\*\*\*

I have the recent Issue of 'Woman's World Magazine' of Sept. 13 --- and YES, it does have an article on BETHANY in it! That's pretty Cool! There is a Pic of her with her Dad, brother, & sister. (no Mom) AND there is a small picture of Dr. Stan, Iyanla and Rhonda.

I have tried to look for an addy for the website for this weekly magazine although I am not able to find it. I wanted to post a Link to the article for ALL to read!

Sorry...guess they don't have a Website....?????

WROX Reporting.....

Peace Out!

Thanks for the update HD. I didn't recognize Sommer with blond hair. A big change for her.
