I think it's fox news but I'm not sure. I do know it is one of the cable news networks though.

I would love to post this on the site calendar and the news section. Would you let me know where you found this info.
The Foxnews site it is bit confusing and I don't see it listed anuwhere on Rhonda's site.

I'm not saying I don't believe you I just want to confirm it before posting to the rest of the site.

Thanks...
