
Cassie and Christine

Posted by becca - 2004/05/22 17:30

Does anybody know why both Cassie and Christine are coming back?

=====

I didn't watch the show when they were on but i belong to other message boards that said something about an alcohol problem? and the other one being a junior life coach? but that just speculation i think..... :blink:

Hi All!

I read, on another forum, that Cassie was coming back due to an alcohol related problem; and that Christine (first Christine!) is coming to the house only to help Josie with parenting skills.

Hope this helps!
