
Layne

I was looking at the "Where are they Now" section on the SO main page and it does not mention anything about Layne from season 2. I know that she graduated and became a mentor, but I don't know what she is doing now.

WROX In Da' House!

Let's see we have time for one last question of the evening....

Where is Layne?

The ONLY Woman I have heard of that married HERSELF!

The last I heard anything whatsoever was when she was sticking around to help out the remaining SOGs at the SOHouse. As far as her being a reporter, I have no evidence of such.... I can look into it though.

We will turn the Request Line over now to NETTY!

Outta' here.....
Peace.

So, you're on the prowl for a new story now HD.

Maybe it wasn't a reporter, but she did write a column or something right?

You'll find out for us, I'm confident. Check back soon skorped...you can always count on HD...our raving lunatic...I mean...our raving REPORTER.

Until the next report America....good night and sleep tight!

She wrote for a magazine for Americans while she was living in Italy... if memory serves. You can find it by doing a search on her name. :blink:
