Yup, I read that Toni Braxton, sister of the "famous" Towanda Braxton of Starting Over Daytime Reality TV Show is being offered her own sitcom! :unsure: She will base the show on herself, a girl growing up in music handling success & family life. The Show WILL showcase her own real-life family members!! You mean Towanda is going to share the spotlight with Toni! :ohmy: )

We shall see what we shall see... :unsure: :unsure: :unsure: :ohmy:
