B) The rumor is Rain is fine! She was at a casting call for support of SO. She has MOVED from the Chi-town...couldn't 'hang', her nor the girls...so they are back in South Bend, IN --- jenn1115!

She was also noticed on a show of TDJakes, the well-known Minister w/a TV Worship Show. It was about praising women in power. (He is the Minister affiliated with the Now Showing Movie, "Women Thou Art Loosed"!

That's my rumor and I'm sticking to it!
