## Possible spoiler - Jody

Found a post in the spoilers at Reality tv world... that it's speculated that Jodi (sp?) is one of the new hg's that is mentioned in coming episodes. I don't know if it's true. But from the language in her profile... sure sounds like she's got the SO lingo down!

Here is a link to her Myspace acct. From that you can get to some of the other former hg's.

I have a hunch that the friend Christie listed is also an upcoming HG. I've heard speculation that someone named Christie was coming into the house.

From her profile it sounds like it as well!

You know what I don't get about all of that? How come Sommer is on everyone's "friends" list. I mean, she was kicked out of the SO house and yet she has pictures with all the latest houseguests. Even Jennifer is shown as a friend of this Jody. And when you read what they have to say, it sounds like they've gotten together and may even be friends. Very confusing....

I know it seems confusing...

I know that Lynelle had many get-togethers or at least seemed to be the one who had the show and tell site... (thelchain.com or something like that)...

It seems that many of the hg's from the 3 seasons are hooking up. Maybe they have an informal support group.

I was on Sommer's site this afternoon a bit...(Just trying to find a link back to Jill's or one of the other hg's Myspace entries since Christina's has been closed.) I noticed Sommer had some pictures of a get-together with Renee. Actually I think Sommer got a bum deal...even though we don't know the full scope of all that happened. Sommer's site doesn't indicate anything. The show never said anything more either... Maybe they mutually decided to sweep it under the rug to avoid a lawsuit or something.

Sommer's website is [sommersmiles.com](http://sommersmiles.com).

I wound up looking at the spoilers at the reality tvworld site which I check once a day or so and saw this info.

One of the TV guides previews next week mentioned a Jodi by name. So I thought it is probably on the up and up.

There are some rumors about a girl named Kelly to come into the house. But I've seen conflicting info on that.. and all the info seems to be coming by way of a 3rd party.

I'm a little skeptical at this point with some of the info I've seen regarding a Kelly.

One bit I saw today mentioned that the finale had already occurred and if you joined a particular site you could get the scoop. I seem to remember a few weeks ago hearing that this Kelly person had already graduated... so that adds to my skepticism.

This Jodi and Christie seem to be legit.. But I can't be absolutely sure.

Eileen, I noticed on Sommer's myspace account that she and Jessica have teamed up quite a bit. Since they all live out in LA now... I guess they have opportunities to share notes. Maybe the show does something to introduce the alumni and keep in touch with the coaches periodically.

But it is wierd about Sommer since she was drummed out of the house. She looks great..and seems to have a large circle of friends.

Maybe she and Jessica are party gals... From what Jessica indicated on her myspace account. And that's how they became such close friends.

Obviously noone else seems to be phased by her having been kicked off the show. It could indicate that Sommer was a victim in the whole drama... or at least has gained sympathy with the hg's.

I'd sure like to find out what really happened last year!

Apparently the girls organized some type of 5k run for charity and Sommer was asked to come back and help organize it. This is going to be shown and this is where I would think she got close to the season 3 people. I really don't know for sure if any of this is true.

KP, thanks for all this good info and and giving us a chance to check this stuff out. I find it really interesting and I just wish the houseguests would talk about how they met, became friends, etc.

MORE spoilers... or rumors...

The realitytvworld site had some rumors about a girl named Kelly... who supposedly will be an upcoming HG.

Most of the tidbits a friend of her is making is through a website called jokersupdates.com.

I went there and clicked on forums and was able to find a Starting Over section.

A few interesting posts and threads.. Some mirror many of those at this site. Same posters maybe???

One was a spoiler thread... It had one date but many snippets of various previews. Alot I recognized from the TIVO spoilers. Many looked like maybe in the next few weeks... and some I couldn't even tell if they were really in order.

I didn't see any hint of Lisa graduating.. But I did see some interesting bits about Jill. Apparently she'll get a makeover at some point and Della Reese will preside as her judge during her 'trial'.. Not sure if the makeover coincides with the trial

---

or not.. Also it looks like her mom may be coming to the house and that they start trying to contact her father... to reunite Jill with her dad.

I couldn't make heads or tails out of some of the other previews.. I really only want to throw these out as rumors... How much should one trust from a site that calls itself 'jokers update!' :blink:

But I've provided the info if someone wants to peek around.

Now that my kids are basically out of the nest..(a 17 year old hanging on..) I NEED A LIFE! And it should be outside of SO! I think after this season I will retire! It's like a bad habit!

Well.....even if not all of it's true, a good bit probably is close and it sounds like it will definitely be hopping there at the house! Thanks for the info....off I go to check out some of those sites you mentioned.

Wow! If this spoiler is true, I am very happy for Jill. She's not graduating anytime soon. I was certain that she would be the first person to graduate.

Thanks KPW for all these nice spoilers. :)
