
Previews

Today's previews for tomorrow's show are repeats of what they showed a day or two ago...Jodi crying on the phone, Jill saying that if Lisa doesn't finish this assignment, she'll have to go, etc. I think it's pretty bad when even the previews are repeats!

Our station just advertised that tomorrow SO will start showing at 4:00 A.M. I will definitely have to record it now, lol. There is NOTHING getting me out of bed that early except my kids or a fire! lol

I noticed the repeats of the previews too!! Boy that looks weird written out!!!! lol

So.....the preview about Jill saying if Lisa doesn't complete this assignment she'll have to go.....blah, blah, blah. Same promise as always. I'm also betting that they graduate her to get her out as they definitely have put too much into her to now kick her out. SHEESH!!!

txgirl....I don't blame you. 4 a.m.???? Yaaaay, I LOVE my tivo!!!! :laugh:
