I'm curious if anybody has experience getting out of debt and working with a credit counselor. Or do you have any tips of suggestions about dealing with debt management ?

I am actually in a debt conolation program that I really like. I didn't have huge amounts of debt btu I felt like I could never catch up so I did it about 3 years ago. I am half wa through paying off my debt and looking forward to being done with it. If you have any questions send me a PM and I will give you more information.

Tara, I just saw your post back from May, may be too late, but if you want to email me privately I may be able to answer some of your questions. ~~kris

I wasn't looking for private help but for public suggestions members of this site could use.
