Hi Netty I am pretty sure hsmom just was filling in last Monday and we need someone for Monday. Maybe Jazzy can take Mondays?
Just a thought??

Re:Recap Writers and Their Days

I have Mondays recap if anyone wants me to post it. I thought I had Monday's and then I saw the list after I had typed it out, so I didn't want to post it for fear of having another Friday.

I agree with sweetpeach that if Jazzy wants Mondays she should do them. That way everyone gets to feel like they contribute.

well, im new around here but I can do a recap for today if it is still needed

I write it up anyway for another board so I can just add it here if needed. Let me know if it has been taken though so I don't repeat a post....Im not too sure if I have read this area right (since I am a newbie and all!)

Ok. I guess my next question would be then-do i just post it like a normal post in the recaps with the title being todays date? Im not exactly sure how it works around here yet. The show will be on in a half hour for me here and then I will write it up and have it up by 2pm PST probably...if all goes well and I figure it out! Lol

Will there be a recap for todays show? I noticed there wasn't one posted yet for yesterdays. Horrible for me because I missed the show myself! Anyways, until further notice I will still be writing up recaps so if this board could ever use them just let me know!

Is there a recap for 10/18/05? I do not get a chance to see the show because of my work schedule so I really appreciate reading the recaps. Where do I need to go to read them on a daily basis?

I forgot to thank the recap writers in my last post. Reading the recaps makes me feel that I am there watching the episode. I do appreciate them. I was home sick last week and got a chance to see three shows. I was very impressed with the details of the recaps. Now that I am back at work and don't have a chance to see the show, I feel the recaps will make me feel as though I am there. Many thanks again for all the hard work of the recap writers.

:blush: Um, I'd be happy to help out. I watch the show religiously. I'll either take Wednesday or help out when needed. I'm brand new to the site, so I'll understand if you want to wait until I've been on a bit.
