Hi, My name is Glenna and I live in the state of Washington. I have the show just before and the day she graduated. I would be happy to put it on VHS for you and send it to you.
I just want to know what is going on now? I feel totally lost. They started off in the middle of something and I don't get it. My E-mail address is Edited by admin5 for privacy... Please use the Private Messaging System for sending email addresses, so if you want to send me your address and such I will send it to you. I have Tivo and love it. Miss the girls a lot. I feel like I really know them.
