Cassie! Miss you already!!

Girl..you're a BLAST!! Keep on doing that "happy dance"
Don't ever lose that positive outlook. Your kindness
towards others....even in your own "darkest moments"...
touched my heart...and humbled me.
YAY! Cassie!

(I'll be keeping an eye-out re that teaser at the end of
today's show.....hope they're not "messing" with us again!)

:cheer: :cheer: :cheer: :cheer: :cheer: :cheer: :cheer:

ceilidh, I just posted a msg under "Did You Catch?" about this very thing. I'm truly hoping :unsure: that they're not
messing w/us w/that teaser. I SOOOO want to see Cassie receive her heart's desire.

It seems a lot of people on the boards don't really know Cassie from last season - they don't know her full story - so they
can't fully appreciate the hell she's been through - and just how far she's come - from literally NOTHING. IMO the HG's
of this SOH are finally getting it, thanks to Cassie. They bonded very quickly to Cassie - and she showed them how to
finally bond together. Boy did they ever need it :silly: :S :unsure: :silly: !!!!! Christie really kind of said it all when she said,
"She really appreciates everything she has."

Oh that the rest of us would follow her example.:)

Oh I so agree. Cassie is so sweet. I hope she does well with the errand angel. Did she take the nursing course? I
thought for someone that struggles with math that this was not a good gig for her, but I can totally see she as a errand
angel. If I had the money and lived near her I would definitely be calling on her.

Man, she can live at my place rent-free for 3 months, if she'll do my errands! Keep the cash to build up the business.

(Long as she isn't loudly cheerful in the mornings. That's a deal-breaker. :P)

I hope she gets what she wants.
