Hi,

I just got to work and realized that I forgot to set my VCR for today's show 4/27. If someone doesn't mind could you recap it for me. The short or long version is fine.

Thanks so much!

Well the show started off continuing from where they were the day before. Antonia questioning Cassie about giving up her son. Some of the HGs and Rhonda in return questioned Antonia about her anger being more about her situation with her father than on Cassie. Anotnia later sat down with Cassie and she apologized for her harshness but not for her anger.

Cassie and Rhonda met and discussed what Cassie was expecting at the meeting of her and her son. Cassie showed Rhonda some paperwork that she wanted to share with her son to prove to him that she was to stay in contact with him after the adoption and proof that she has been searching for him for some time. Rhonda told Cassie that her son isn't coming to meet her for the proof he just wants to meet his Mom. Cassie was upset and crying. Rhonda set up a meeting between Cassie and an adopted man who recently met his birth mother. She was later taken out by Andy Page to buy a new outfit to meet her son in.

Massages were given out in the SO house. Anotnia was told after her massage that she needed to pay \$1 per minute. Later in the show the HGs were given "gifts". First they went to a classy store for of name brand goodies like bags, shoes, clothes, etc and were aloud to pick one item. Anotnia finally caught on and refused to take an item. Later that day a woman came to the SO house with jewelry for the HGs to choose from as a "gift" Antonia again refused. By this time she was a bit frustrated but stuck by her decision to not give in.

Sommer had an assignment given where she had I believe 5 or 6 guests come to the SO house to help her make chili. Her job was to observe the guests and decide which guest went with which characteristic (cant remember exact characteristics sorry but they were for her to realize that it takes a while to get to know someone when it comes to getting into a relationship)

I believe that was all that happened. If I left anything out I'm sorry. Tomorrow it looks like Cassie will be meeting her son!!
