
Flashback... Rhonda\'s hair

Did anyone else see the flashback of Rhonda and Sommer at what looked like a park a few shows ago? Man, Rhonda's hair sure was "cute" that day. What was she thinking?? Its funny because I actually remember that show and was taken back by her hair then, lol.

Do you recall the exercise for which her hair was done? She was working with Sommer on learning to be vulnerable and silly.

Yeah, if you remember that show...she was trying to get Sommer to be okay with looking "stupid"
