
Nyanza - did anyone see it???

Posted by momof2gg24 - 2004/07/21 15:19

There was a part in todays show where rana gives up pn nyanza. Rana was trying to explain something to nyanza and she shut her down quick. Her comment I believe was lets just end it. I was amazed that she just backed down. I know in having dealt with people like that in my past that once you give in there is no going back and trying to get on an even level.
