Hello!

There is a male, named Tolly Burkan, that will be on The Show March 8-9. He is a "Firewalker Teacher!"

So who will walk on the fire???

Remember today, Fri when they showed previews for next week and mentioned that Bethany will be getting a visit from a person she admires? Did y'all see the back of him in the previews? Does anyone know this name? TOLLY?

Buttttt, who knows!

Over & out!

SPOILER now!

NOT just rumor.

The Dude is "the founder" of the Firewalking Movement. Extreme Spirituality--so I think it is for Bethany.

I am glad I have NO desire for this movement!
NO Thanks!
