
Vanessa\'s update

Posted by TigerRose - 2006/01/24 10:34

Vanessa added a new feature to her website. It's called My Book. She has added a few pages of her rough draft of a book she is trying to write about her experience.

;) I havent been on the site for a long time and tried to sign into the site you mentioned, and it wasn't there anymore.

Does anyone know if she has a new address

:huh: :unsure: :(
