My name is Karen, I really loved Starting Over; Rhonda Britten was my favorite Life Coach. My little girl loves Starting Over too, she loves seeing grandma; I love seeing her too; we're real close/

When I heard the news about Starting Over possibly leaving; I felt sick :sick: inside, and it makes me want to scream :angry: . NBC is turning into the devil :evil: !!! I origiinally thought it was the producer of the show wanted to drop it, but I found out NBC does :evil: :S :angry: :sick: .

I'm glad I found this site; all the others I've be to are just message boards. Sometimes you just need to talk to a person.

Thank you for letting my vent, and I'll be back.

Karen
