Have only seen teasers for this show...and it does not look like my "cup of tea"....but the blond guy, who seems to be the main character reminds me so much of Steve McQueen! Anybody know his name, and if there is any family connection? Thanks in advance!

I'm answering my own question because I am so surprised to find that the actor is, OMG....Anthony Michael Hall!!! I remember him as the gangly kid in movies my daughter watched as a teen...he sure has changed! I was sure he had to be a McQueen!!
(Actually watched the show...a bit weird and a little hard to follow...
but it's based on a Steven King story, so that figures!! Had a Steven King phase in the 80s, which I thoroughly enjoyed!)
