Does anyone watch this show? It's down to the last three. They are all really good!

I love Josh...and hope he wins for the sake of all people with Physical Challenges...but I love Chris too and the other guy is really smooth.

Hard to choose!

Yeah for JOSH! What a thrill. I can't even imagine how proud his parents are! And, what a message for people with Physical Challenges. Ty is really good too. He will definately go places.

WHAT is up with that host? OMG...could he be anymore boring. I thought his dead pan was part of his act, but he has got to be the most boring MC I've ever seen! He's good on his sitcom...but how did he ever get that far!

I love Jay Mor! I'm from New Jersey and I totally get everything he talks about...maybe it's because he and I have the same accent!

I wondered why Jay Mohr did not host this year. He DID produce the show. Did you see his stand up on the show finale? GREAT! And I am SOOOOO proud of Josh! I voted for him the whole way! I too am physically challenged and I am so glad people acknowledged how funny he is!!!! GO JOSH!!!
