Well, I'm gonna "try out" the show for the first time!! I've always had so many other shows to tivo, but with all the season finales, I've got some room to watch something else!!

I'll prolly love it as I am a reality t.v. junkie!!! ;)

bimbos and himbos?!! lmao!!!! You're right though lol they've taken all of the most um 'colorful' personalities to put into the mixing pot lol A couple of them I dread seeing again and some of them were actually pretty smart players.. this should be very interesting to say the least! Just a FYI for any other die hard BB fans. This site has extensive live feed coverage and have some posted right now that apparently got through....will warn you though there is spoiler about who is in the house. The live feed posters are absolutely wonderful on there and work so hard to keep all of us who don't have the feeds up to date on who is playing who.

Well, that was the first Big Brother show I've ever watched. Hmmmm.....interesting. I will say that I'm so glad that Danyelle (I think that's who) that was stirring the pot by her own admission already, is nominated!!! Sheeeesh, she was drivin' me crazy!!! But how do they actually pick between the two who were nominated??

That's the great thing about BB, things can change really quick. If one of the two who are nominated win the Power of Veto they will be able to remove themselves and someone else would have to be put up. Generally this early in the game they ones who aren't nominated go around trying to decide how the "house" is voting.

From what I can gather most in the house are leaning towards evicting Allison.

LOL @ grizzly. Usually during a big brother season my blood pressure raises about 10 points. Then on top of that I read the live feed posts so I see what is going on in the house that they don't show us on tv and that REALLY gets me going! Listening/reading all the backstabbing going on tonight is giving me a splitting headache but I can't pull myself away from it. :S

If Allison isn't evicted I may just have a stroke! :pinch: :pinch:

Last summer towards the very end of the season I stumbled upon this web site.  
[http://jam.canoe.ca/Television/TV\\_Shows/B/BigBrother7/](http://jam.canoe.ca/Television/TV_Shows/B/BigBrother7/)

This guy (I guess the web master or whatever) watches the feeds and then posts a transcript on the web site. It's great. You can find out what's going on in the house that you don't get to see on tv and you don't have to pay for it.

Personally I hope Danille goes tonight but last time I checked the transcript it was tied...but this is BB so anything can happen.

I have watched BB, at least a little, every season. I can't remember all the names of the players or even who I liked and disliked, with one exception. Janelle. I totally dislike her. I tried to watch the last 2 weeks and I could barely force myself to sit there with her on the show. I can't even remember why I don't like the girl. She is lucky as hell, maybe that's it, but, I spend so much time hoping she will get booted out, that I get frustrated. I know it is unlikely that she will get booted out because she is so darn lucky. If she would go, I would start watching it again.

Isn't it amazing that with all the backstabbing and cut throating on these supposed "reality shows," that the players still get enraged if they think someone misrepresented themselves or told a lie. It's hilarious.

I don't know of any that you can watch the live feeds without paying, but to be honest with ya, I had the feeds the second season and I found it alot easier to keep up by reading the posts. There are some live feed posters that are very dedicated and they don't miss anything, sometimes they are too detailed..lol They also have a section where one of the moderators goes through the live feed posts and does the highlights, so you can read a shorter version. Then of course they have the general discussion area where we chat about the "hamsters" and speculate who will do what.

I'm so glad Allison is gone! And that my man Kaysar won HOH. Now lets just hope one of them wins veto.

Oh btw the website I am talking about is [www.tvclubhouse.com](http://www.tvclubhouse.com) and you just click on the BB7 link.

Chicken George and his outfit of foil!!! Made me laugh!! I would like to have heard Marcellus' take on that one---  
Marcellus is so down to earth and to the point---this show will be very interesting!!  
Dr. Will is playing the game! It may come back and bite him in the butt! Chicken George can come and cook and clean  
for me anyday--but he won't have to listen on any conservations----it's just me and my 16 year old son---eves dropping  
would be very boring!

Loving this show again!

I'm beginning to wonder how bright some of the hg are? Why would they not know the answers to the questions for last night's HOH. With all the down time, why would they have not considered that there would be questions from those definitions? I even got a few correct and I've never read the definitions in the house. I'm beginning to think they deserve to lose if they can't do better than that.

I question their sanity in allowing someone such as Will to laugh in their face, thumb his nose at them and they vote to keep him in. What sense does that make? I'm kinda liking it though. If you are stupid enough to subject yourself to it, suffer.... I'm now laughing at them and with Will.

Anyway, I just want Janelle OUT!!!!

from day one they have wanted to split boogie and will up, and get rid of one of them, they had the perfect chance last night and they didn't!!! if will wins this whole thing I will be laughing with him as well, its all because of their own stupidity, I didn't like jase either, but if they would of kept him in he has less of a chance of winning the thing than will does!!!

Debby, I like Janelle...but I do feel your pain...lol. I cannot stand Mike Booger and do not even like seeing his face on my tv, but I know we probably won't be rid of him anytime soon.  
And actually Janelle and Howie do spend alot of time quizzing each other on facts of the house...it's funny to hear them on the live feeds.

And I absolutely loved Will in Season 2, and I'm loving him just as much now. He is a riot and I'm afraid without him this season it would have been even more boring. His veto speech will always be one of THE best BB moments for years to come. I wouldn't mind a final three Kaysar/Will/James. I would love to see Erika go next...I can't stand her.

Hey grizz....that would be a dream come true for me, I really cannot stand that guy. It's too bad he won POV.

Debby....Janelle put up Diane in Boogers place. From what I can gather on the live feeds is Janelle isn't worried about the "chill town" alliance but is worried about the "floaters" banning together and getting her out. I don't think she trusts Will and Booger, but I think she fears the floaters more. I think her reasoning is that they could (the floaters) be the strongest alliance in the house right now so she wants to get rid of some of them. I don't think she wanted Diane in sequester.

I don't doubt that Will and Booger will go after Janelle, but I think they will either give her a week to feel safer or backdoor her, if they are assured the votes.

Needless to say it's going to get very interesting over the next couple of weeks.:whistle: :whistle:

Don't scroll down if you don't want to know what happened tonight:

---

Well Diane left, vote 7-1. Will gave her a vote, not sure if it was for sympathy or just to stir things up...lol. HOH was a endurance/skill, had to hang on to spider web in backyard. For the first bit they got to sit on it, Will quit early. Then they had to hang from it..they would spin it and drop things on them every once in a while. When you quit you got to pick an egg (the first five ppl) 2 were rotten and other 3 had prizes. 10,000, slop pass, and cancel out one eviction vote. Will got rotten egg. Boogie got 10k, Marcellus got slop pass, James got cancel vote, and Kaysar got rotten egg. Last three on web were Howie, Erika, and Danielle. Danielle won HOH. Now I wonder who she'll go after? Hmmmm my bet would be she will put up two that won't include Janelle, and then try to backdoor Janelle.

Tudin-girl. Did all of this happen on the live feed? I thought I saw the show go off just as the action on the spider web was getting started. Did it air for 2 hours? Maybe I changed the channel too early.

Anyway, I have read all of the previous posts about the sneaky plans to get Janelle out. Why don't they just do it. Enough people say they want her out, so just DO IT. It drives me crazy. If they don't get her out this week, I am going to change my course and start rooting against all but her. If they allow her to stay, they are not worthy to win.

What did you think about the past house member who came on to diss Marcellas(Sp)? Why was he soooo disappointed in Janelle for nominating Diane? Why was that choice any more sleazy than any other move she or any other player has made?

Debby yes that was on the live feeds...you didn't switch to early..lol. Where/when was the past house member, was that at the start of the show? I haven't watched my tape yet and I missed the first 20 minutes of the show. I don't know why anyone gets too upset over noms, it's a game, it has to be done, they all knew it.....especially these guys who have played before. Maybe they thought it was sleazy to do that to Diane because she spent so much time crying about how bad she needed to at least make it to sequester to make that money...lol. Noms have been done, but I am afraid of spoiling it for someone.

Debby here ya go:

Start of show has the hg still sitting on the web. Look comfortable so far.

Erika DR: Being nominated last week started my fire going.

Back out to the web BB starts spraying the hg with some sort of foam. They all seem to be laughing, not minding too much.

Howie DR: This comp was tailor made for me to keep the BB6 machine going.

Danielle DR: The most important thing is for BB6 not to get HOH again.

(apparently feelings after eviction on Thursday)

James DR: Still griping about Diane being gone and now he wants Janelle out. Clips shown of Marcellus and Danielle also griping about Diane being put out. (Hello? Did they not get to vote last week???)

Back out to the web. Will quits and goes to pick an egg. Danielle yells out that they need to all make an agreement that whoever gets the slop pass gives it to George. Will tells her he can't agree to that, she then mumbles and calls him a son of a b\*\*\*\*. He says, nah I will give it to him if I get it. Will chooses egg and it's a rotten one.

We hear Will in voice over say he thought it was important for him to get out of the comp and spend some time with Janelle to work on her. Tells her if he doesn't leave before sequester then he will work his butt off and it will be him and Boogie and her and Howie until the end. By the time anyone figures this out it will be too late.

Back on the web the hg get another spray of the foam. Janelle comes out with message from BB saying congratulations you have been there for two hours now and you need to re-position yourself so head and body are below the net, you can hold on with arms and legs only. Lots of complaining and "I can't do this" by all. Will tells them all that they now have a 1 in 4 chance of getting the 10k. James quits at 2 hours 10 min and picks egg. Gets nullify an eviction vote. Boogie tired and wanting to win the 10k so he quits at 2 hrs and 15 min, picks egg, wins 10k. Kaysar goes down right after Boogie and gets a rotten egg. Now trying to get George to drop for slop pass but he isn't ready to give up yet. Marcellus drops at 2 hr and 25 minutes and gets slop pass. Doesn't appear happy about it at all and kicks his egg, splashing something all over James.

RECAP OF EGGS:

Will --Rotten

James --Nullify eviction vote.

Boogie --10,000 dollars

Kaysar --Rotten

Marcellus --Slop pass.

Howie, George, Erika, and Danielle all still hanging on. Howie is looking bad, like he is in pain. George drops at 2 hr and 35 min and they all tell him he did an awesome job. Danielle says I'm done and starts to get down, then changes her mind and says no I'm not. Cheers all around. They start talking you're safe, you're safe. All three telling each other that. Finally Howie can't hold on any longer and lets go at 2 hr and 45 min. Says he just couldn't do it, they took the jedi down. Danielle tells Erika to let her have it and Erika says you got it Danni and drops. Danielle wins HOH and starts saying she is the black widow and she is about to catch a whole bunch of houseflies.

### REST OF SHOW

James and Danielle alone in room and talk of Legion of Doom. Danielle out and Boogie walks in and him and James start talking about her winning and Boogie says how their (S6) demeanor changed. JAMES SAYS: "You reap what you sow"!!!!(LOL R U KIDDING ME?)

Will talking about how he hurt his back after picking Boogie up when he won POV last week. Now in green room and Kaysar is going to "stretch him out". Kaysar says he saw a chiropractor do it once so what the heck. Has him on the floor pulling/pushing him around. When he's done he asks Will how he feels and he says awful. Danielle says turn over and I'll crack your back. Talk about how skinny he is and his back looks deformed. Kay puts a sheet over Will and tries to pop his back.

Howie, James, Kaysar, and Janelle in bug room talking about who will be put up. James said he feels safe, thinks Howie is safe since Danielle told him she wouldn't put him up, says he doesn't think she would ever put Kaysar up, and tells Janelle he's not sure of their relationship. You put up floaters last week and we'll all have to suffer for that. Janelle says why? He says now they are scared.

James DR: The obvious target is Janelle because of her idiotic noms last week.

Back to convo in bug room James said if he was Marcellus he would be worried about being put up. Janelle says if she puts me up with Marcellus then I have the votes to stay right?

James DR: This Anna Nicole Smith wannabe probably dumbest person to ever play this game.

---

Danielle comes out and wants everyone to see her HOH room. She likes it, it's green and tan...plants, woodsy feel. Pics of her husband, kids, and her parents. Letter from Mom and her pink robe. She reads the letter from Mom telling her she is proud of her and she loves her and stuff.

HG go into storage room and it's fully stocked and they get pizza. Everyone gathers in the Kitchen except George who is lying on a bed looking very sad. Mar goes in and gives him the slop pass and G refuses telling him to keep it that he may need it. Mar says I'm not taking it back and walks out of the room. G lies there thinking for a minute then goes into kitchen and tells everyone Mar gave him the pass but he doesn't want to keep it. All of them start encouraging him to keep it and EAT...touching moment between G and Mar and G decides to keep it and goes for the pizza.  
Mar DR: I really didn't want to give it to him, but he was looking so sad and a little pathetic. Chance to do something nice and maybe George will remember if I ever get nominated.

George eating with everyone else and it looks like he is one happy man.

Dan and James in HOH. She tells him she wants to put him up with Janelle because his the veto King and she needs someone who can compete with Janelle for veto so she won't win. James is uneasy about this, says he will think about it and get back to her. He says Janelle isn't the same girl as last year, she's a "fat piece of s\*\*\*". Danielle tells him she needs him to trust her on this.

Dan and Mar in workout room and Dan asks him who he would put up. He tells her to put up Janelle and Kaysar. Says J is my girl but when your behavior warrants your dismissal then so be it.  
Danielle DR: Mar isn't throwing Janelle under the bus, he is throwing her under a semi truck.

Dan and Kay in HOH room. Telling K she doesn't think of him as an evil player but a strategic one. Asks if he has a deal with CT, he says no. Asks if Janelle has a deal with CT, he says no. She wants an explanation of Janelle's noms last week. He stutters around trying to find the words, but is having trouble. Says you don't want to come out guns blazing so early in the game. Danielle still isn't sure about her noms, says she has to play for her. He leaves.

COMMERCIAL:::

You could win 10,000 Do you know why these season 6 players are crying? (shows clip of Maggie, April, and Ivette. Maggie looking like she wants to puke, Ivette bawling her eyes out, and April saying it's just stupid)  
Are they crying because:  
1. Someone was evicted  
2. Family member died?  
3. Janelle won phone call from home instead of them?  
Text your # to 81818

Danielle preparing for nominations. Janelle says in voice over that putting her and Kaysar up would be a smart move. Marcellus says he doesn't 100% trust Danielle. Kaysar says she realizes she needs to get rid of one of the S6.  
Danielle says her real alliance is "me, myself, and I" James says he knows he will be nominated and it has to happen to get Janelle out of the house. If my key doesn't come out of the box I'll see how good a job of acting I can do. Will says Danielle is definatley in the "Legion of Doom" but he trusts nobody. She could put up CT and slap us both in the face.

Nomination Ceremony:

Danielle: I have to nominate two hg for eviction. The decision I made today was based on noms made last week and after POV ceremony. It made me uneasy and concerned and I prefer to be safe rather than sorry.  
First Key-Erika you are safe.  
Second key- Howie you are safe.  
Third key- George you are safe.  
Fourth key- Mike you are safe.  
Fifth key- Marcellus you are safe.  
Sixth key- Will you are safe.  
Seventh key- Kaysar you are safe.

JAMES AND JANELLE NOMINATED

Danielle: Expect the unexpected from me. I'm not here to sit aside and let people do my dirty work for me, I'm here to play the game. Made the decision to put up the two toughest bad asses and let them fight for veto. Adjourned.

DIARY ROOMS:

Janelle- I'm surprised she put James up, I thought they were so close. Personally I think she is a ●●●●. James was very upset, face in hands...hope it's not an act, but who knows.

James- Of course it was an act. I have to be here because I want Janelle out of the house. Right now I am forced to trust

---

Danielle and if I can't trust her I have nobody in here.

Danielle- I want Janelle out of this house. James is a good competitor.

Boogie- James looked at us and said I hope I can trust you guys. It's hard to trust villains when you're a villain.

That was it. If you want to be spoiled I can tell you who got POV and shortly I'll know who used it or not and who was put up in place of POV winner.

Thanks Tudin Girl. What a wrap up!!! That's great. Just as I hoped it would go. I see you like James. I don't hate him. I just want Janelle out so I will root for him like crazy. She will squirm out of this I'm sure. She may not be bright, but she doesn't have to be because she is so darned lucky.

If she goes home, I will throw a party. I mean it.

Share whatever you know. I don't mind. Just warn people at the top of the posts so they will know not to read further if they don't want to know.

Thanks again. I'll be sure to catch the next episode.

I agree with Marcellas. I would put up Kaysar and Janelle. Since everyone loves Kaysar, the majority would have to give her the boot. Why does everyone love him? I don't get it.

LOL did I give the impression I liked James? I didn't mean to. It's not like I despise him, he is playing the game very well, but I don't like his gameplay.

I'll pm you with what I know so far.

I think Danielle was right in putting up James after all he is the veto king and should win this one.... Hopefully Janelle loses and James wins it... I wonder who she will put up if that happens..

That was her plan. I can't wait to see who gets HOH on Thu because things are sure to heat up now.

---

I don't know why the hg keep talking about someone coming back...their guess at a twist, I haven't read anything about that so far...has anyone else? I don't think Julie has eluded to the fact that someone is coming back, and so far everyone has done all their interviews (the evictees). The hg seem pretty sure, or some of them, that someone is coming back. I hope they don't do that again this year. They need some bigger twists this season, something we wouldn't expect, and the houseguests wouldn't suspect!!

Yeah, it was interesting!! Of course, I'm a newbie to BB, so I don't understand a lot of the alliance references. I heard Danielle called the Black Widow.....how'd she earn that nickname??

Yeah, I'd like to see Janelle go.....I tellya, that bubble-brained nonsense just drives me up the wall!!!

Hmmm.....well, yeah Tudin, if you don't mind, let us in on some of what you see on the live feeds!!

Thanks a bunch!!!! B) B) B)

Grizz, I think another episode comes on tonight or tomorrow night. I can't keep up, but I check every night now at 8:00 or 9:00 just to make sure.

That Janelle is sucking the luck out of everybody. I hate to say it, but, if something drastic doesn't happen, she will take this whole thing. It could end up between Will and Janelle! She will backdoor her team, I tell you. She is a snake in the grass.

Not really a spoiler, but don't read ahead if you don't want to hear the latest talk on the live feeds. ;)

:)

:whistle:

The talk in the house right now is that Kaysar is going. Chilltown/Legion of Doom (Man i hate those terms) talked shortly of keeping Kaysar and letting Danielle's plan blow up in her face, and added bonus it would leave Kaysar, Howie, Janelle all to go after Danielle. I haven't checked the live feeds tonight, and mostly all we'll get is strategy/plotting/backstabbing/whining/etc and we are not privy to the votes prior to the live show. I'll check the feeds and let anyone who wants to know if anything earth shattering is going on in there tonight.
