Do you want to know a secret - ooooo - do you promise not to tell - ooooo-

and it is a FUN

one - ooooo - about Cassie! - ooooo!!!

I'm putting this in Rumors rather than Spoilers cuz I read it was from an employee of The Show that 'leaked' it!

Cassie's Graduation will be a PROM!

All the works! it will be a replica of the 80's when she should have Graduated!!! Someone is coming all dressed for the occasion! ooooo

Any guesses???

(remember one Hero of hers has already been there!)

Happy Thoughts Y'all!

It would be so sweet if it was her son that took her to her prom. I don't think that would happen but that's what I would wish for for Cassie. Thanks for the fantastic sounding rumor, HD!

I would like it to be her son aswell but who knows she may never really get to meet him, but she did move on in the way that i think there is some closher with everything (can't spell sorry). I am not sure can't wait to see.

Those are good guesses so far - but what about the dude she mentioned to Towanda & Andre when she mentioned where she was from---

Charles Barkley?

(retired NBA player that went to school with Cassie & put her in a trash can!)

Guess we will see when the time comes! :rolleyes:

She is still the size of a high schooler, too! What a tiny lady she is. I hope she gets all the happiness she deserves. she has worked so hard to come as far as she has.
