
Hello

Posted by babybaby261 - 2006/09/23 03:04

I am new on here, I just wanted to say hello to everyone. I am soooo sad about the end of Starting Over. I LOVE that show, it was a must see everyday show for me. I cried when I read that is was cancelled :(. I am glad that there are sites like this for us to be able to talk to each other about the show and what it meant to us.
