## I\'m New!

Posted by TerryO - 2006/10/13 12:51

---

Hi! I'm new to the site today. I've been checking local tv listings for awhile and can't find Starting Over anywhere! (Panic!) Can someone please tell me when the new season starts? Thanks.

The Producers of Starting Over have teamed up with the Oxygen network and created show called "Bad Girls Club". It's sounds very similar to Starting Over and is supposed to begin in December.
