## Saddam Sentenced to Death

When I read about Saddam's death sentence... I wondered about an appeals process.

Per MSNBC:

The death sentence automatically goes to a nine-judge appeals panel which has unlimited time to review the case. If the verdict and sentence is upheld the execution must be carried out within 30 days.

Interesting...

And that's just for being found guilty of the murders in 1982. He and, was it 2 others will hang? I can't remember now. I really appreciate the swift justice instead of yeeeeeeeeeeeeears on death row gaining a law degree!!
