
new to the site

Posted by pagge - 2006/11/15 11:37

hello, i live in colorado and like to meet new people right now i have a lot of time on my hand recently lost my job. and am in the process of looking for another one. My message to everyone is something i live by "stand for something or fall for anything" Keeping strong when things look bleek. hope to hear from you.B)
