Hi Dorothy! Welcome to the site. I haven't been on in awhile, but I have been here for a couple years and it is a wonderful, friendly, site. If you have a problem feel free to discuss it on here. We aren't perfect but we all have opinions and some of us are older and have lots of experience. In all aspects! Welcome to the site, I am the honeyb, and I'll be 60 in Dec, and I sure got a lot of stories to tell. hahah

Hi Dorothy!

Howdy Neighbor! I live in Va. too! But outside of D.C.!

Welcome to SOT. Talk isn't necessarily about SO much anymore.. With the new Oxygen show "Bad Girls Club" coming up soon... maybe it will give us a bit of an SO flavor and some new topics of conversation!
