---

Hello, my name is Deb. I am 47 and live in the Chattanooga area. I watched SO from the last part of season 1, and never missed it again until the show ended.

I work for county gov't and work 4 10 hour days a week. I will probably only be on this site my 1 offday during the week. I hope to "see" more of you all.

Deb :)

Hi Deb... welcome to Starting Over Talk...

I loved the part of my day that included SO...

This is a very nice site... the people that drop in are fun and supportive.

It's a small community, and easy to find your way around. LOL

Again... welcome to SOT.

Mazzy
