
Iyanla on belief net

Posted by Nadia - 2006/12/24 11:23

I rec'd an email from a friend telling me that Iyanla was on belief net . Thought you guys might be interested in that and wanted to share this message with you.

check it out at

Nadia... thanks for sharing this... it was nice to hear Iyanla speak, and as usual she makes a lot of sense. It's true... one can listen, however, one does not always hear.
