
The Gospel According to Thomas

Posted by 1putter - 2007/01/13 20:13

:) Hello -

Someone recently mentioned reading the book "the Gospel According to St. Thomas" which I am very interested in reading. As I see a few different authors to the book I'm looking for clarifications, (unfortunately Amazon.com doesn't offer reviews on all versions).

Can whoever read it and mentioned it recently please advise me of which author's version you read and what you thought the difference was? I'd love to read it.

thanks!
