hi

i am new to chatting and forums, period. but i liked starting over show so badly last year and have been missing it. i actually got only parts of last season. but i am itching to get hold of more of the past seasons. i am trying to brainstorm ingenious ways of getting to see some of the past shows. maybe i can do something with tivo, maybe i could contact the show produces and encourage them to put that good stuff on dvd, etc. but at least joining this community is a good start. my brief intro, i am many things, a two time chicago marathon runner, a student of counseling psychology, a person also recently experience a difficult job environment, i am a fan of starting over and getting a late start personally starting over in 2007, hence i will catch up in 2007, iwillbe2007.

hello again.

-ps, i posted my intro in the wrong forum (general interest), so iam trying it again (hence reintroducing myself)

Welcome to the community.. It's sad the show isn't in production anymore. I hear that it is being shown (old seasons) in a few overseas markets.. but none here in the states that I am aware of.

I think many of us would be interested in seeing the 3 seasons come out on DVD.. But I doubt that they will. I seriously doubt that Bunim/Murray will cooperate with you... They didn't appear interested in listening to their fanbase in 2006 when they decided to end SO... in favor of a more dramatic reality show on Oxygen...(The Bad Girls Club)

Good luck with your many pursuits in 2007. You sound like you have alot of things going on in your life. I don't think it's uncommon to have workplace/career issues from time to time.. Just don't loose your focus... and hang in there.. Maybe that might mean to switch direction or overcome the obstacles that hold you back..

I'll look around and see if TVone picked up the show again.. they dropped it about the same time the show ended it's 3rd season..

One can always hope!

Hi iwillbein2007, Welcome to the board.

I too want the box set of SO on DVD. That would be great. I'm afraid I have not had much luck in my dealings with BM Productions. If you give it a try, I wish you much better luck.

I'll look forward to seeing you around here.
