
Anyone willing to exchange episode tapes?!

Posted by SOChick19 - 2007/03/05 17:07

Hey all,

I was recently watching some of my old tapes from season 3, and was so disappointed to see all the episodes I had taped over, or missed:(I was wondering if anyone out there would be willing to exchange, or send me, some of the tapes I'm looking for. I will, of course, pay all costs for shipping, and the tape if desired.

I'm specifically looking for the last few episodes of Season 3 (I still haven't gotten over the fact I missed the FINALE!), as well as the episode in S3 where Allison has a breakdown after getting back from Atlanta.

Please PM me or reply if you would have any of these tapes, or any others, or know someone that might. I'm willing to do the same for anyone else if there's a need!

Blessings,

Brittany

(p.s.- I will be going to Rhonda's Body Bootcamp in Austin, Texas on March 23. I will do my best to post details when I get back. If anyone else out there is going, let me know! And excited/scared to death doesn't even begin to describe how I feel!)
