
My Grandfather

I'm just sad as my grandfather passed away today. He'd been in hospice for just a couple of weeks. Due to some really bad family issues, I wasn't able to say goodbye. My grandfather was the only one who showed us kids what love really was and I'll truly miss him.

I'm sorry Grizz. Grandfathers are great. I had two wonderful grandpa's and one wonderful great-grandfather. They all lived until I was an adult! I didn't always spend the time with them that I should have when I got older, but, I know they knew how much joy they brought to me and our family.

I'm sure he knew you cared.

Thanks y'all!!!! Things are up and down.....I'm really at peace about my grandfather's actual passing.....he was elderly and ill and I know he's at rest. But the rest of the family junk.....well, is junk!!!

But we've had some really fun events here with the kiddos, so that's always a pick-me-up!!!! And knowing you guys are here and that you care sure helps a lot too!!!! :)
