My name is Loo I am a fan of both Starting Over and the bad girls club. I have a Basset Hound name Dutchies and I like to listen to those oldies from the 60's my latest CD I just got for my birthday last month was a Paul Peteson My Dad CD I grew Up listening She Can't Find Her Keys I Miss my Record Collection I have a CD player that you can set up to play songs like you use to play your 45's. I am in in to scrapbboking and phartargraphy and I am in the process of organizing my photos because I will have to have reprints made nbecause some of those photos are old & I have only 1 copy of & because I have a grown neice that is also in to scrapbboking and if she know I had thos I will never see those again. Because I own a dogital camera I store all of my photos on a collection of cds that way when I am ready I gcan get as many prints I need off of each cd. Just like thise women off of Starting Over I also keep a journal. In fact I am in a situation where I am a light sleep by nature that I was able to find Rana's website so now on her advice I write in my Journal at bed time. That seems to help on the nights I miss you know it.

Welcome to the board Loo. It sounds like you have some good hobbies. I think journaling can be very therapeutic.
