hi ! im from adelaide - smithfield plains to be exact and i just love starting over it has become such an addiction tht mykids are removed promptly by thier dad wen it comes on! I only tuned in when pj came into the house and love her to bits! i loved her graduation day all pink!!! we hve just seen susans amazing journey to find her self and her dad which she did and she graduated straight after amy did and i miss them both so much!!! josie i am having trouble holdig my temper from and im wndering if she ever did find out who her babys daddy was! rain oh my god wat a treasure!! miss ehr so much and didnt u love wat htey did to her flat!! wow!! nowwe hav eleah a lesbian and christine an old house mate who has retunred to help lynelle and hailey out a bit. i am loveing it every day!! so what do u think is in store next for everyone? there seems to be surprises after surprises!!!
