
Chat Time Suggestions

Posted by Tara - 2007/05/31 19:31

I know that a lot of people are very interested in the chat room yet nobody is ever there at the same time. For those of you who are interested in participating in the chatroom I would like your suggestions on times to schedule chats.

The ones that I chose are not working! :(

Please use this thread to choose a specific day of the week and time that would be best for you to chat. Please make sure you include your time zone too.
