So who's going to Taco Bell today between 2:00 and 5:00 pm to get a free taco?

Hey that's cool...

I'll go.. One right up the block..and my husband's on travel!

They haven't been advertising it here in the D.C. area... maybe it's a regional thing. I'll see what the website says. I'm sure some Taco Bell markets are doing better than others.. Ours seems to have dropped off a bit.

I just checked the website.. Something about 'steal a base, steal a taco'... The page info wouldn't load, and it seemed to be something with baseball.. Not sure if it's the same thing or not.. but the world series is now over.. Maybe it's up in your area Tara.. Aren't you in the Boston area?

Congrats to the Red Sox... The Patriots sure are dominating football now too!

I'll give my local taco bell a call and see if it's good here...

Thanks for letting us know about the possible opportunity!
