Hello! :laugh

Im jenn, 34 yr old, single mom and nurse by profession.

Im new to the site, I was fortunate to have found SOT , I really enjoyed the show and missed it so much. I would like to be enlightened and grow with you guys. Take care!

Jenn

Welcome!

Not much conversation about SO anymore.. But hopefully one day soon, a bonafide SO replacement will show up!

This is true. We still get excited when we see some of the former houseguests, Iyanla, Rhonda or Dr. Stan on some other program.

There are some good links here to locate former hg if you are interested to see what they are up to since graduating.

I'll look forward to seeing your posts.
