
abc girls name

Posted by 14thg - 2005/07/16 11:25

The way the game is palyed is easy you have to come up with a girls name for the letter we are on.
for example: b= brittany. I will start.

Hey I was on the phone today and I tell you I never heard of this name she was called Aphrodite.... (I was told that the name comes from Goddess of Love?) not sure I never knew that before.

Strange names this past week.

OK,
