
Overlapping Words

Posted by ceilidh - 2007/06/26 16:39

This game involves using part of the previous word to make a new word (even if you can only use the last letter sometimes!).

Example:

PS: Nice to see Ceilidh and Nadia back posting. Hope you are both doing well and will stay around a bit.. to play games or chat.

I am just noticing that there is no pm feature anymore. This is my first post I think since the new format. I hope the pm feature is still there somewhere.

I'll check in with Tara!

HiYa Kathie!
Nice to be back. I've sent you a PM let me know if you got it or not. Need to catch up and chat. :)

Nadia, I don't see anywhere to access the pm system. I use IE and maybe it doesn't support the pm system anymore..

I made a post in one of the site threads..and had hoped Tara would pick up on it.. I didn't know if it was a glitch.

Feel free to yahoo me.. via email.
