"Farmer wants a wife"!!

This looks to be a funny show.....the "New Green Acres"!

Very interesting! I grew up on farmland and these ladies will be from cities!

Oh this is going to be good!!:side:

This almost sounds like the bachelor.

Country Style that is!!

Just another form of the show of the Bachelor, in a totally different setting. No luxuries, no cabs or limos, just milkin' the cow and ridin' the tractor!!
