
Hi! everyone...

Posted by punkyhalo - 2008/03/05 12:43

I was a huge fan of the show Starting Over. I was so sad when it didn't continue. It's cool that we can still chat and support each other on here. I am looking forward to meeting everyone and learning and supporting. I am married and like to do web design. I love music and art .I have 2 cats. :cheer:
