
Bad Girls Club

Posted by Tara - 2008/05/18 00:40

I caught part of the Bad Girls Club Marathon last night. I don't know if it was season 2 or 3? I was pretty entertaining!! They are going to have a reunion show this coming week hosted by Star Jones! Star look really thin on the previews!

I liked it but never remember to watch it because oxygen is in the 200's on my cable system.
