
Crazy Weather

Posted by Tara - 2008/05/26 18:40

Wow, I can't believe all the crazy weather around the country. I'm blown away by all the tornadoes!

There have been a few tornado warnings here lately. It's a bit weird to me. The last place I lived was all hills and valleys (and strip mines), tornadoes weren't much of an issue there. The worst we usually got was some flooding.
