Are there any Apprentice viewers on the SOT site? I love it and though drama has become huge, the basic lessons are evident.

Well, orriginally I always resisted watching this show. It sounded so crazy. Finally one night it was on and I watched. Now I am addicted. I love watching the competitions. I think this season attracted me because I didn't go to college and it started out at High School Grads against College Grads. I like watching the High School Grads kick their butts.

I love the Apprentice. I'm a bit of a Reality TV nut.

Follow the link to read the story about Chris Shelton's arrest. He was the tobacco chewing contestant who was fired last week and cried leaving the boardroom.

Well, Tana blew it and Kendra won. Just goes to show...being nice to those around you does wonders for you.
